The Omeme & District Lions Club wish to thank you for preparing a float and for your students enthusiastic participation in the Omeme Santa Claus Parade on Dec. 5th, 2009.

The weather was mild and sunny and brought the participants and spectators out in large numbers - a great way to enhance the Christmas spirit – just what we needed to bring Santa to town.

We appreciate your contribution and look forward to your attendance again next year.

Best wishes for a Merry Christmas and a Happy New Year.
