

January Update

New to Our School: Online Payments

Our new online payment system is up and running. You can now pay for all your child's school fees with a click of a button. At Scott Young, this will include paying for pizza for the rest of the school year, school trips, yearbook and even tuck shop tokens (Tuckets). Never worry about sending cash with your child again to school. Moving forward, online payments will be our school's preferred method of payment. To sign up go to tldsb.schoolcashionline.com.

Excellence Assembly

On February 23 we will have our second Excellence assembly of the school year. We will be recognizing and celebrating many of our students who have participated in school groups and teams, show great character and have demonstrated significant improvements in their success at school. The assembly will start at 9:05 a.m. Please feel free to join us.

Spirit Days and POW Pack Updates

We have two spirit days coming up. Jersey Day will be January 26th. On February 14th we will have a dance to recognize Valentine's Day. Students are encouraged to wear red, white and pink on this day. Scott Young Terriers will be showing their school spirit by participating in these spirit days. House points will be awarded to all students and staff participating. POW Pack is also collecting a number of household items during the month of March. Please visit our Scott Young website for all the details about items being collected and how they will be used.

Thank you for your generosity

This year we were able to support five families in need in our community. We provided the families with ingredients for a holiday meal as well as gifts for all children in the home. Thank you for your generosity and donations. The spirit of giving is alive and well in Omeme.

Jimmy Chapman is Back!

We have booked Jimmy Chapman for three days this year to work with our students. He will be teaching break dancing in all our gym classes on March 26, 27, 28. Our students will be very excited to have him back. They enjoyed his visit last year and we look forward to his return.

Snowshoes are at Scott Young

We have snow shoes at Scott Young for the next two weeks. Thanks to Central Senior for lending them to us again this year. Hopefully our weather will cooperate and we will be able to enjoy the snow 😊.

Speech Competition

Our school speech competition will take place on February 9 in our gym. Two students from each classroom in our junior division and three students from each intermediate classroom will be invited to participate in the school competition. Parents and family members are welcome to join us. The junior competition will take place at 9:15 a.m. and the intermediate competition will begin at 11:45 a.m.

Neil Young Donation to our Music Program

As you may have heard, Scott Young received a very generous donation from Neil Young's concert which occurred at Coronation Hall on December 1, 2017. We have received \$15,000 which Neil wanted to be directed to our music program. We are currently pricing items to expand our instruments beyond traditional band instruments. We will keep you posted as we make our purchase. Thank you Neil Young!

Upcoming Dates

February 2, 2018	P.D Day
February 16, 2018	Report Cards Home
February 19, 2018	Family Day

Visit our Scott Young website (at syp.tdsb.on.ca) to keep yourself updated. Special thanks to Ms. Clements for keeping our website up to date and looking fantastic.
